*Please Note: Though 20% Theatre Company paid all of these artists for their work back when the original production took place, in an effort to get more money in the pockets of these amazing artists during these virtual screenings, we gave them the opportunity to provide Venmo/Cashapp/PayPal info next to their names in this virtual program. Many are listed below, many declined, some did not respond despite our best efforts to reach them, and some requested that funds directed to them go instead to [20% Theatre's sunset fundraising campaign](#), or to other nonprofits doing good work locally and beyond. **If you feel so moved, we strongly encourage you to support the artists directly!** Beyond that, if you have more to give, we welcome contributions in support of the company that made these productions possible! Other nonprofits that some artists encourage you to donate to include [The Bridge for Youth](#), [Avenues for Youth](#), [Black Trans Femmes in the Arts](#), [RECLAIM!](#), [Black Lives Matter](#), [Springboard for the Arts' Emergency Relief Fund](#), [Transwomen of Color Solidarity Network](#) and [Transforming Families MN](#).*
